MEETING AGENDA

Welcome and Introductions

Special Presentation: Lois Bruinooge, Executive Director of The Last Green Valley (TLGV) will provide an update on TLGV's Southern New England Heritage Forest Regional Conservation Partnership Program (RCPP). They received an overwhelming response to the launch of the Healthy Forest Reserve easement portion of the project from landowners interested in protecting important bird habitat on their property with an easement. Large woodland parcels with connections to other forested tracts are a priority for this program. Come to this presentation to learn what next steps will be taken.

Review of October 16, 2018 meeting notes.
